

BY-LAWS (Cont'd)

The Second Vice President will be the chairman of the Publicity Committee.

There are other minor changes, mostly in wording and clarification of government and committees. All these changes will have to be approved by the general membership at the annual meeting. There will be copies on the proposed revised constitution and by-laws available for every member at the annual meeting in Miami Beach. It is the responsibility of every member in attendance to study these by-laws and cast a vote when the time comes to do so.

If you persisted in going to sea in a leaky boat, you'd know you had no excuse to offer when the boat sank under you. Yet you go about with leaks in your consciousness through which you allow negative thoughts to enter. Your consciousness must be sealed against selfishness, thoughtlessness, Jealousy, pride, vindictiveness, anger and the like just as your boat must be sealed against the water on the outside. It's never the water in the ocean that sinks ships. It's the water that gets in where it has no business to be.

JUDGING AND/OR FLOWER SHOW COMMITTEE MEETING

The Judging and/or Flower Show committee will meet Friday night at the Annual Meeting. This meeting is open to all members. In fact all members are asked to sit in on the meeting and give their ideas.

Each Chapter has been asked to have a delegate attend this meeting to represent the chapter. The current rules have been mailed to the chapter presidents. Any changes that the chapters think should be made should be brought up at this meeting.

There will be a discussion in regard to the new "Collectors" class that some of the chapters have been using. What constitutes a "collector" is the question that needs answering. Bring your ideas to the meeting.

NOMINATING COMMITTEE

Mr. Ralph Philo, 3644 Marion St., Ft. Myers, Fla. has asked that each chapter appoint a nominating committee member and that the slate of officers that the chapter recommends be mailed to him at the above address. Failing this, bring them with you to Miami.

Mr. Philo has called a meeting of his committee for Friday night in order that the slates can be compiled and the various candidates asked if they are willing to serve the AHS if elected. He reminds us that there is no use in electing an officer that does not intend to attend meetings or do the work of his office.
